

PReparedness against CBRNE threats through cOmmon AApproaches between security praCTitioners and the Vulnerable civil society

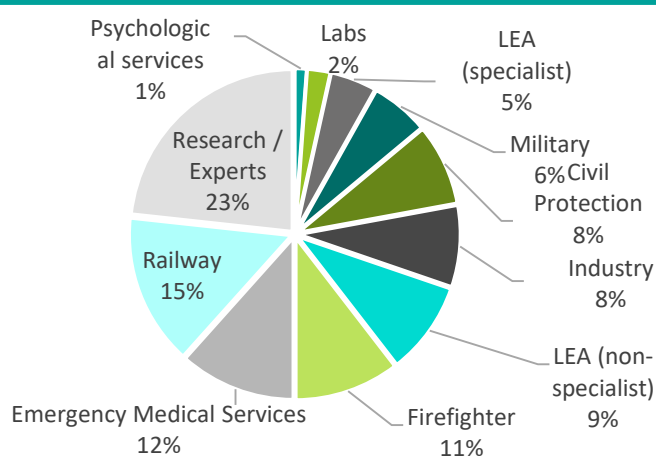

Practitioner Stakeholder Advisory Board  
Organisations and experts welcome

### How to participate:

- *As much or as little as you'd like!*
  - Via: Workshops, surveys, interviews, feedback, and participation at field exercises
- What will be expected of you?
  - Your insight, experience, knowledge and feedback

### Who already participates?

### FAQ:

- Why join?
  - Meet others working in CBRNe & help shape new CBRNe practices!
- Will it cost me anything?
  - No! You will only be expected to contribute time as your schedule allows, any costs associated with travel or accommodation will be reimbursed upon approval
- Can my organization attend all PSAB events?
  - Official invitations to PSAB physical meetings are limited and offers for reimbursement will be in general given out on a first come, first served basis, while ensuring a representative group and allowing as many different PSAB members to attend events throughout the project lifetime
- Why an NDA?
  - Secure project results
